**ORDER GRANTING REINSTATEMENT OF
CLEC AUTHORITY IN TENNESSEE**

This matter came before the Tennessee Regulatory Authority (hereafter the "TRA" or "Authority") upon the application of LoadPoint Telecommunications, LLC, (hereafter the "Company") for reinstatement of competitive local exchange carrier ("CLEC") authority in Tennessee. This matter was considered by the TRA at a regularly scheduled Authority conference held on March 26, 2002.

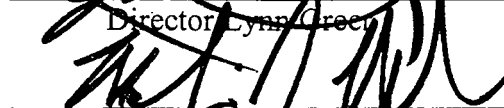

On January 10, 2001, an order revoking the Company's CLEC authority was issued by the Authority due to the Company's failure to pay the required regulatory fees. The Company has now paid its past due fees together with the applicable penalties thereon and has provided the Authority with the required \$20,000 letter of credit as required by Tenn. Code Ann. § 65-1-125, Section 3(j). The Authority has concluded that the Company has met all the requirements for reinstatement of CLEC authority in Tennessee.

IT IS THEREFORE ORDERED THAT:

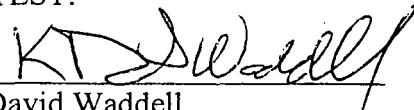

1. The Company's authority to operate as a competitive local exchange carrier in Tennessee is hereby reinstated; and
2. The Company shall comply with all applicable state laws and TRA rules and regulations; and
3. This Order shall be retained as proof of reinstatement of the Company's authority as a competitive local exchange carrier.
